# Southeastern Community College

# **EMPLOYMENT OPPORTUNITY**

---

## **Computer Integrated Machining Instructor (Full Time)**

Founded in 1964, Southeastern Community College (SCC) is a public, two-year comprehensive community college. With its "open-door" policy, SCC strives to meet the needs of students with varying backgrounds, resources, interests, abilities, and career goals. More than 30 occupational and liberal arts curriculum programs are offered by the college, which serves an annual full-time equivalent enrollment of approximately 2,000 students in curriculum and continuing education programs. SCC emphasizes quality in designing and delivering instructional, support, and community services. The college commits itself to providing students with opportunities to reach their potential.

SCC is undergoing major changes as it prepares for the future. It has adopted a new vision: To be recognized as the premier rural community college in North Carolina; and a new mission statement: To continuously promote educational attainment, economic development, and cultural enrichment in Columbus County and surrounding areas. To achieve its mission and move towards its vision, SCC is focused on its performance in student success, workforce development, enrollment, employee performance, facilities, resource acquisition & use and community services.

The SCC college campus is located on Hwy. 74-76 between Whiteville and Chadbourn in southeastern North Carolina. SCC is an hour's drive from historic Wilmington and South Carolina's Grand Strand beaches. Serving Columbus County and surrounding areas, the college enjoys exceptional local financial and moral support from a community which expresses great pride in the institution.

### **Minimum Requirements for the Position**

1. An associate's degree from a regionally accredited institution in Machining, Computer Integrated Machining, Mechanical Engineering Technology, Manufacturing Technology or a related field.
2. At least one standard industry certification such as NIMS, OSHA, FANUC or commitment to obtain certification.
3. An ability to effectively facilitate student learning in computer integrated machining technology courses.
4. An ability to facilitate learning for students from diverse backgrounds including culture, ethnicity, age, gender and ability.
5. Strong computer skills and commitment to the use of technology in instruction.
6. A willingness to participate in public school and university articulation, advisement, and recruitment programs of the College.
7. A willingness to teach in the day, evening, on Saturday, at unconventional times or via distance learning (i.e., interactive TV, telecourse, Internet) as necessary.
8. Participation in assessment, planning, implementation, and evaluation of courses/programs to improve student learning.
9. A desire to participate in professional development activities, including those related to the use of critical thinking skills in instructional design and in student development.
10. A commitment to the community college "open door" philosophy and the comprehensive community college concept.
11. A desire to participate in community service activities.
12. An ability to carry out institutional effectiveness activities and participate in the life of the college (e.g. serve on committees, do advisement, participate in activities)

**Preferred Requirements for the Position**

1. Related work experience with demonstrated competencies in areas such as manual machining, CNC programming and operations, solid modeling, lean practices, drafting and/or welding.
2. Teaching experience in a community college.
3. A bachelor's degree from a regionally accredited institution in a related field.

The target date for employment is January 2, 2019. Salary is dependent upon qualifications, experience, and labor market. (Contract is for 9.5 months, but will be paid in 12 equal monthly installments). Excellent references from previous employers must be furnished upon request.

**A completed Southeastern Community College application form (located on the SCC website), a resume, and educational transcripts must be submitted to the college Human Resources Office in order for applicants to be considered for this position. Application deadline is November 9, 2018. Applications received after this date may not be considered.**

Applicants should send all documents and inquiries to the Human Resources Office, Southeastern Community College, P.O. Box 151, Whiteville, NC 28472. Telephone (910) 642-7141, extension 310. [www.sccnc.edu](http://www.sccnc.edu)
