Southeastern Community College
EMPLOYMENT OPPORTUNITY

Electrical Engineering Technology Instructor
Part Time

Founded in 1964, Southeastern Community College (SCC) is a public, two-year comprehensive community college. With its "open-door" policy, SCC strives to meet the needs of students with varying backgrounds, resources, interests, abilities, and career goals. More than 30 occupational and liberal arts curriculum programs are offered by the college, which serves an annual full-time equivalent enrollment of approximately 2,000 students in curriculum and continuing education programs. SCC emphasizes quality in designing and delivering instructional, support, and community services. The college commits itself to providing students with opportunities to reach their potential.

SCC is undergoing major changes as it prepares for the future. It has adopted a new vision: To be recognized as the premier rural community college in North Carolina; and a new mission statement: To continuously promote educational attainment, economic development, and cultural enrichment in Columbus County and surrounding areas. To achieve its mission and move towards its vision, SCC is focused on its performance in student success, workforce development, enrollment, employee performance, facilities, resource acquisition & use and community services.

The SCC college campus is located on Hwy. 74-76 between Whiteville and Chadbourn in southeastern North Carolina. SCC is an hour's drive from historic Wilmington and South Carolina's Grand Strand beaches. Serving Columbus County and surrounding areas, the college enjoys exceptional local financial and moral support from a community which expresses great pride in the institution.

Purpose and Function of the Position
Since quality instruction is the primary function of the college, it is the principal responsibility of each instructor to effectively and efficiently stimulate learning in every course. In addition, each faculty member should provide guidance to students through their role as an academic advisor and in more informal ways. Additionally, each faculty member is expected to participate in the governance of the college through committees and divisional meetings, through shared leadership within and across divisions, through personal recommendations to college administrators, and through participation in the Faculty Senate.

Minimum Requirements for the Position

1. Associate's degree or certificate in Electrical Engineering/Electrical Engineering Technology or a related field from a regionally accredited institution.
2. Three years' teaching and/or industry experience OR Bachelor's degree in Electrical Engineering/Electrical Engineering Technology or a related field from a regionally accredited institution.
3. Ability to provide effective instruction to students in one or more of the following areas: digital and analog electronics, robotics, instrumentation, automation, computer-aided drafting and design, and photovoltaic systems, programmable logic controllers and electrical wiring/motors.
4. Willingness to teach in the day, evening, on Saturday, at unconventional times or via distance learning (i.e., Internet) as necessary.
5. Willingness to participate in professional planning and collaboration with colleagues to develop curriculum and lab experiences.
6. Commitment to the community college "open door" philosophy and the comprehensive community college concept.

The successful candidate must begin work on January 8, 2019. **Part-time classes and other supplemental work may be available for the summer semester.** Excellent references from previous employers must be furnished upon request.

A completed Southeastern Community College application (located on the SCC website), a resume, copies of any industry certifications, a letter of interest addressing the requirements and educational transcripts (unofficial copies of transcripts will be sufficient for the screening process, but official copies must be submitted prior to employment) must be submitted to the college Human Resources Office in order for applicants to be considered for this position. Initial review of applications will be December 6, 2018. Applications will be accepted until the position is filled.

Applicants should send all documents and inquiries to the Human Resources Office, Southeastern Community College, P.O. Box 151, Whiteville, NC 28472. Telephone (910) 642-7141, extension 310. www.sccnc.edu
