Southeastern Community College

Technical Standards for: Broadcasting Production Technology

The following are standards which a student in the Broadcasting Production Technology major will be required to perform in order to successfully complete the program. If an accepted student believes that he/she cannot meet one or more of the standards with or without reasonable accommodations, the student must consult the Disability Services Counselor at 910-788-6327, disabilityservices@sccnc.edu. Southeastern Community College will not discriminate against qualified individuals with disabilities and will provide reasonable accommodations.

Requirements:

Critical Thinking
- Ability to gather relevant information, recognize problems, and use a process to make informed, independent decisions that show good judgment.

Interpersonal Skills
- Ability to interact with other students and demonstrate active listening skills.
- Ability to function and contribute as a member of a team.

Cognitive Skills
