

Southeastern Community College

Technical Standards for: Information Technology

The following are standards which a student in the Information Technology major will be required to perform in order to successfully complete the program. If an accepted student believes that he/she cannot meet one or more of the standards with or without reasonable accommodations, the student must consult the Disability Services Counselor at 910-788-6327, disabilityservices@sccnc.edu. Southeastern Community College will not discriminate against qualified individuals with disabilities and will provide reasonable accommodations.

Requirements:

Critical Thinking

- Possess the critical thinking ability sufficient to gather relevant information, interpret data, recognize problems, and use a process to make informed, independent decisions that show good judgment.

Interpersonal Skills

- Possess the ability to interact with other students, faculty, and staff.
- Possess the ability to function and contribute as part of a team.

Cognitive Skills

- Possess cognitive ability to use logic and reason, attention to detail, and short-term and long-term memory skills.

Communication Skills

- Possess the communication skills sufficient to speak and write English, listen and comprehend written and spoken words, and communicate information and ideas so others will understand.

Mobility

- Possess physical abilities sufficient to move from room to room, maneuver in small spaces, stand and walk for extensive periods of time.

Physical Demands/Motor Skills

- Possess gross and fine motor abilities to sit for extended periods of time, manual dexterity for computer work, and the ability to work with small objects and small hand tools.
- Possess weight-bearing ability to lift and manipulate/move a laptop computer daily with additional requirements in weights up to 40 pounds.

Auditory Ability

- Possess auditory ability sufficient to hear sounds at a close range (within a few feet of the observer).

Visual Skills

- Possess visual ability to see with normal or corrected vision, tolerate working indoors in artificial light and the glare of computer screens.
