Phlebotomy Program
Student Readiness Check list
Note: This is a student work sheet only

Requirements are subject to change each academic year.
Students who feel they have satisfied the application requirements should make an appointment with the Phlebotomy Faculty to complete a formal application request (bring the completed student readiness checklist with you). Applications should be received the semester before planning to be in the program, and the student will need to apply to either the next available program/option that starts during the current academic year or reapply to their preferred program in the next academic year (applications will not be carried forward).

Student Name_____

Student ID#_____

Current Address_____

Current Phone #_____

*Information must be current, correct, and legible-SCC assumes no responsibility for inability to contact student

ALL ITEMS BELOW ARE REQUIRED TO BE ELIGIBLE FOR APPLICATION TO THE PHLEBOTOMY PROGRAM

- o   Current Application on file (current within two years)

- o   High school Diploma or GED (transcript)

- o   Transcripts from all other colleges (received and evaluated at SCC)

- o   DRE 096,097, and 098, ENG 002or BSP 4002 (test out or equivalent)

At times, the application process can be competitive because enrollment in the program is limited. The students are selected on a best qualified basis. Preferred students have already taken the ACA 122 and PSY 150 before applying. Please let your advisor know of other health related courses you may have taken that will elevate your qualified status. Examples of courses that will elevate your status include: (CNA, MLT (Medical Laboratory Technology) LPN, EMT, BIO 163,168,169, Medical assistant, NAI, NAII).
